

Prayer CORNER

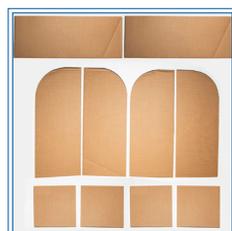

Create a place where you can prepare to serve God today. Let's encourage others by telling them of the great things that God has done for us (1 Samuel 12:24).

YOU WILL NEED:

- Cardboard
- 2 Small Plastic Lids
- School Glue
- Metal Ruler
- Masking Tape
- Paint
- Pencil
- Scissors
- Brush
- Colored Paper
- Craft Knife ⚠️
- Hot Glue ⚠️

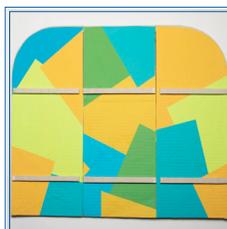

DIRECTIONS:

1. Out of cardboard cut: 6 pieces 20"x8" and 4 pieces 8"x7¼". Cut and round one corner on 4 of the larger pieces, making them all the same.

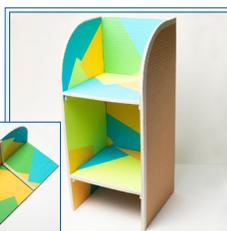

2. Double the pieces by gluing together so you end up with 2 pieces with one rounded corner, 1 long rectangular piece, and 2 squares. The final thickness of the pieces should be about ¼".

3. Wrap masking tape around the outer edges as shown in the picture.

4. Glue pieces of multi-colored paper over the surface of the pieces.

5. Cut out narrow strips of cardboard: 4 pieces ½"x7½". 2 pieces ½"x8". Cover them with masking tape.

6. Lay out the long pieces on an even surface. Draw two lines across them at a distance of 4" and 14" from the bottom. Glue the two 8" strips to the lines on the middle piece and the four 7½" strips to the side pieces.

7. Pour hot glue on the right edge of the left side. Stand this part upright and press firmly against the middle part. Do the same on the right side. Hot glue in the shelves.

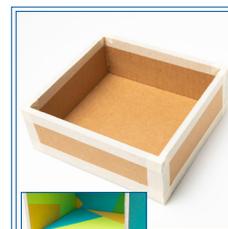

8. Cut out two pieces of cardboard 8"x8½". Glue them together, then glue them to make a bottom for the shelf. Tape all edges. Glue pieces of colored paper to the outside.

9. From cardboard cut: 2 pieces 7"x7½", 4 pieces 7"x2½", 4 pieces 6½"x2½". Glue two of each matching piece together.

10. Make a box by gluing the longer sides on the front and back of the bottom piece, and the shorter sides to the left and right. Cover all edges with masking tape.

11. Cut out two pieces of cardboard 8½"x4½". Glue them together. Cover the edges with masking tape. Glue pieces of colored paper over the front surface. Glue this to the drawer. Glue the plastic lids together, then glue to the center of the drawer.

12. You can keep small stationery items in the drawer. Your prayer corner shelf is ready to go!
