

God asks us to befriend others and share that we have a friend in Jesus (Proverbs 17:17).  
Be a faithful friend like Joseph by making a game to play together.

### YOU WILL NEED:

- Colored and White Modeling Material
- 1 Plastic Basket 5" x 6½"
- Colored Rubber Bands
- Wide Transparent Tape
- Old White T-shirt Fabric
- Colored Cardstock
- Black Marker
- Rolling Pin
- Putty Knife
- Scissors
- Ruler
- Craft Knife

### DIRECTIONS:

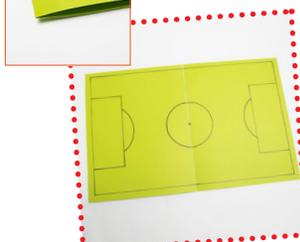

**1.** Roll a 1" - 1½" ball from white modeling material. Let it dry. Draw markings on it to look like a soccer ball.

**2.** Place two green pieces of 8½" x 11" cardstock, side by side. Tape along long edge.

**3.** Open out and draw the soccer field markings on it.

**4.** Cut the plastic basket in half lengthwise. Put the soccer ball in the middle of the field. Put the basket pieces on both sides of the soccer field for goals.

**5.** Roll some modeling material into a small cone 1" x ½" and an elongated strip ¾" x 3 ½".

**6.** Wrap the strip around your index finger and press the ends of the strip to the sides of the cone.

**7.** Roll out a small piece of white modeling material. Mount the shoe on it as a sole, trimming any excess. Decorate the shoe with white shoelaces. Let it dry. Make a second shoe.

**8.** Make another pair of soccer shoes in a different color.

**9.** Cut out two soccer uniforms from colored cardstock, approximately 3" x 2½". Decorate. Slide a small rubber band over them.

**10.** Cut four narrow 1 ½" x 4" strips from the t-shirt fabric.

**11.** To put on the shoes, wrap a white strip of fabric around your finger and slide it into a shoe.

**12.** To play, stick two fingers through the elastic band on the uniform. Wrap white strips around these two fingers and put soccer shoes on them. Enjoy playing the game with your friends!

Adult assistance is suggested.
